

## **2019-2020 Wausau West Traveling Basketball**

Wausau West Boys Basketball offers competitive traveling teams for boys in grades 3rd - 8th Grade. It is the goal of the Wausau West Boys Basketball program to create a fun and positive learning experience for our youth basketball players while still building players fundamental skills and developing a competitive mindset.

We are changing how we handle our Traveling Team Basketball Uniform situation. You will be purchasing your son's uniform and it is for them to keep and reuse throughout their years of playing Traveling Basketball. We highly suggest that you order the uniform a little bigger so that they get multiple years of use out of the uniform. Your uniform package that you will be purchasing includes a Jersey & Shorts along with a shooting shirt. Information and Pricing is listed below.
