**Workers’ Compensation Coverage and Reporting Responsibilities**

All employees shall be covered by Workers’ Compensation Insurance. If an employee sustains a work-related injury or illness, the employee must immediately report the accident or illness to their supervisor. After first aid or medical attention, if necessary, the employee must contact the Workplace Injury Reporting Nurse Hotline at 844-322-4662 to provide the necessary information for a claim form to be completed. The claim form is required to be completed for all injuries or accidents even if medical attention is not necessary. Employees are expected to provide their supervisor with additional information about any changes in their work related injury or illness as they occur.

**Mandatory Reporting of Child Abuse or Neglect**

State statutes mandate that any employee of a school district who has reasonable cause to suspect that a child, seen by the person in the course of his/her employment with the District, has been abused or neglected or who has reason to believe that a child, seen by the person in the course of his/her employment with the District, has been threatened with abuse or neglect, or that abuse or neglect of the child will occur, shall immediately inform, by telephone or personally, the applicable District administrative personnel and Marathon County Child Protective Services or local law enforcement. Abuse or neglect of a child may include physical abuse, emotional abuse, sexual abuse, or failure to provide for the basic needs of a child.

The law prohibits anyone who makes a report in good faith from being fired, disciplined, or discriminated against, and the reporter is protected from civil or criminal liability. In addition, the report is to be kept confidential with no identifying information provided regarding the school employee who makes a report.

Any questions about this mandatory reporting requirement may be directed to a school principal or the Director of Pupil Services.

**Alcohol and Drug-Free Workplace**

In order to protect the health, welfare and safety of students and employees, no employee shall:

**Tobacco Use**

The District may refer employees to law enforcement authorities for prosecution of suspected illegal behavior related to the use, possession, or distribution of drugs or alcohol on school grounds or as a part of any school sponsored activity. Any employee engaged in the performance of a federal grant is required to notify the Superintendent of Schools or his/her designee of any criminal drug statute conviction occurring in the workplace within five days of such conviction. *Ref. Board Policy 4305, Alcohol and Drug-Free Workplace*

The Wausau School District is committed to providing a safe and healthy workplace and to promoting the health and wellbeing of its employees. Accordingly, all employees are prohibited from using, possessing, or distributing tobacco on District premises, on property owned, leased, rented by, or under the control of the District, and at all school-sponsored activities.

For the purposes of this Employee Handbook, “tobacco” includes, but is not limited to, cigarettes (including clove cigarettes, bidi cigarettes, electronic cigarettes, nicotine vaporizers, and other substitute forms of cigarettes); cigars, loose tobacco, smokeless tobacco (including dipping tobacco, chewing tobacco, and snuff); liquid nicotine, and other substances containing tobacco or nicotine.

**Personal Appearance/Staff Dress Code**

The District believes that its mission to advance student learning, achievement, and success is positively affected by the professional appearance of the District's staff. The professional appearance of employees – which includes dress, accessories and other body adornments, and grooming – not only reinforces their own shared vision of the District and their identity as highly motivated professionals working toward a common mission, but also strengthens their morale, sense of professionalism, dignity and self-worth; the community's attitude toward the District, public schools and the teaching profession in general; and, directly and indirectly, the conduct, morale, and performance of the District's students.

The District expects that all employees are neat, clean, and wear appropriate attire for work that is in good taste and suitable for the job at hand. All employees must exercise good judgment in their choice of professional appearance for work and work-related activities by always appearing in a way that is appropriate to the situation and that will:

- invoke a positive impression from the community,
- provide appropriate role modeling for students,
- promote a working and learning environment that is free from unnecessary disruption,
- be conducive to high student and staff performance.

Examples of appropriate professional attire include but are not limited to: collared shirts, dress slacks, suits, khaki pants, colored denim pants, sweaters, jackets, skirts, professional dresses, and dress coordinates. School t-shirts are appropriate on designated spirit days. Staff may wear blue jeans that are clean and in good condition.
During the work day and anytime employees attend work-related activities or functions, including activities or functions to which the public or District employees or students are invited or in which the public or District employees or students participate (for example, meetings/conferences with parents, PTO meetings, open houses, school plays and concerts, student competitions, educational or other professional conferences, TV/media appearances, etc.), employees shall appear in a professionally appropriate manner.

Employees are not permitted to wear any clothing, paraphernalia, grooming, jewelry, accessories, or body adornments that are disruptive or potentially disruptive to the educational environment as determined by the Principal. Employees must also comply with the requirements and restrictions specified in Policy 5700 Student Dress Code.

State and Federal Health Codes require all Nutrition Services employees involved with food preparation and serving to wear an effective hair restraint such as a hairnet and/or baseball cap and clean clothing and shoes. Shoes should have a non-skid sole. Maintenance/Custodial and Nutrition Services employees shall not wear open-toed or slip-on shoes during work hours. The District may require Maintenance/Custodial and Nutrition Services employees to wear uniforms provided by the District. Appropriate personal protective equipment shall also be worn at all times, as deemed necessary.

Maintenance/Custodial and Nutrition Services employees should ask their immediate supervisor for additional information pertaining to dress code and personal protective equipment requirements for their respective departments.

Principals and other supervisors are delegated the authority and bear the responsibility for ensuring compliance with this policy and are expected to counsel and/or discipline employees whom they supervise on professional appearance in conformance with this policy. Each principal or supervisor will be given the authority to establish stricter appearance requirements than are required by this Employee Handbook on a temporary or permanent basis as necessitated by the health, safety, discipline, morale, educational, public relations, or other needs of that school/work site, as determined by the principal or supervisor. In addition, a principal or supervisor may deviate from this Employee Handbook temporarily to meet the needs of specific school/work sites for an appropriately specified purpose. The principal or supervisor must approve temporary deviations. The Superintendent or his/her designee must approve long-term or non-temporary deviations.

**SCHOOL SAFETY — IF YOU SEE SOMETHING, SAY SOMETHING**

The safety of our students and staff is our first and greatest priority -- and a responsibility shared by all employees. Teaching and learning cannot occur in an environment where staff and students do not feel safe and secure. In order to help ensure a safe environment and prevent acts of harm or violence from occurring in our schools it is imperative that every employee be vigilant to signs of potential threats and respond appropriately.

If an employee sees or hears something that does not feel or sound right, he/she has a duty to immediately report the concern to his/her supervisor or any administrator. For example, if an employee finds a note in school with a direct or implied threat of violence, the employee needs to immediately notify his/her supervisor or an administrator. If an employee overhears students, another employee, or anyone else talking about committing a violent act or doing harm to others, the employee must report it immediately. The same applies to information acquired through social media -- if the message or post suggests a threat to our schools, students, or staff the employee must report it to an administrator and/or law enforcement immediately.
Additionally, all of our schools have safety procedures, such as locking classroom and exterior doors, and emergency response procedures, such as hard and soft lockdowns. It is every employee’s responsibility to know and follow these procedures. An employee with questions about safety and safety-related procedures should direct them to his/her supervisor.

Using the phrase from the Department of Homeland Security -- If You See Something, Say Something®.

**EXPECTATION TO MAINTAIN CONFIDENTIALITY**

Through normal job-related activities most employees work with or are exposed to information pertaining to students and/or other staff members that is considered (private, protected, or) confidential information. All employees are expected to maintain the appropriate level of confidentiality pertaining to student and staff information.

Confidential information should only be used by or shared with those employees, or other individuals or entities outside of the District, who have a legitimate need for such information in order to perform their official job duties or have a legal right to the information.

Examples of confidential information pertaining to students include but are not limited to: grades, academic performance, behavior, disability, IEP information, health information, family information, attendance, and/or eligibility for free/reduced lunch. Examples of confidential information pertaining to employees include but are not limited to: performance evaluations, disciplinary action, compensation level, health information, disability, participation in insurance benefit plans, and/or utilization of insurance benefits.

Any questions regarding the expectation of confidentiality, or whether certain information is considered confidential, should be directed to the employee’s school principal or immediate supervisor. Failure to comply with this expectation may result in disciplinary action.

**SENDING INFORMATION HOME WITH STUDENTS**

The District recognizes that students provide the strongest communication link between the school and parents. Accordingly, the use of letters, bulletins, newsletters, etc., carried by students to their parents is encouraged. Sending printed information (e.g., newsletters, bulletins, etc.) home with students is limited to information pertaining to the District, or a particular school, or school-sponsored activities. Prior to sending information home with students, teachers should obtain approval from the building principal, the Superintendent of Schools, or designee. Classroom-related information may also be sent home through the teacher’s assigned students, with prior approval of the building principal.
GRIEVANCE PROCEDURE

Purpose:
The purpose of this Section is to provide for the exclusive internal method for resolving grievances concerning discipline, termination and workplace safety. A determined effort shall be made to settle any grievance at the lowest possible level in the grievance procedure.

Ref. Board Policy 4500 Employee Grievance Policy and Procedures; Ref. Grievance Form

The District supports access by employees to a wide range of information and communication technologies. It is anticipated that this access will enrich the educational environment. District employees are expected to abide by its policies and rules when using information technology and communication resources.

Ref. Board Policy 6500 Acceptable Use of Technology and Internet Safety For Students, Staff, and Guests
Acceptable Use of Web Tools and Social Media

The District encourages the use of Web tools and applications (e.g., social networks, blogs, wikis, internet-based multimedia applications, collaboration tools, and advanced learning management applications) for the purposes of (1) engaging in professional development and professional collaboration activities; and (2) enhancing student learning and instruction. District employees are expected to abide by its policies and rules when using Web tools and Social Media.

Password Creation/Maintenance Guidelines

Passwords are a critical component of information security. Passwords serve to protect user accounts; however, a poorly constructed password may result in the compromise of individual systems, data, or the District network. All District employees are required to implement best practices for creating secure passwords. Additionally, the District will require a password change for Network Access and Infinite Campus at least once per year.

District passwords MUST have the following characteristics:

- Contain at least 8 alphanumeric characters
- Contain both upper and lower case letters
- Contain at least one number (for example 0-9)
- Contain at least one special character (Excluding, !$%^&()_+-|~-=\{}[:;’<>?/).

Maintenance of Data on District Owned Physical Drives

The Wausau School District maintains a robust network for the explicit purpose of storing and providing access to data necessary to the job functions of its employees and to support the educational needs of students. The data residing on the District’s servers is the property of the District, and as such, subject to periodic maintenance checks by District Technology Department personnel. District employees have the ability to save/retrieve data to/from physical drives owned and maintained by the District. Storage of data on the District network is for the sole purpose of supporting work related to an employee’s role within the District. Under no circumstances should personal or non-work related data be stored on the District network. Storage of personal data increases the risk of security breaches and consumes valuable storage space, which is a direct cost to the District.

District employees will be allocated up to a maximum of 10 Gigabytes of storage on the District Network. This is the sum total of all physical network drives an employee has access to for the storage/retrieval of data related to the employee’s job. When an employee utilizes a total of 8 Gigabytes of storage s/he will receive notification of possible suspension of network storage privileges. If the 10 Gigabyte limit is reached, the ability to save data to the District network will be suspended until the employee removes a minimum of 2 Gigabytes of data. The employee will still have the ability to utilize his/her Google Drive to store/retrieve data.

Maintenance of Data of Google Drives Under the wausauschools.org Domain

All regular District employees are provided a District owned Google Account with access to District approved Google Apps in the G-Suite. This account also provides the employee unlimited cloud-based storage for data related to the function of his/her employment. Under no circumstances should an employee’s Google Account be used for the storage/retrieval of personal data.
Classification of Teacher Saved Data

All files and data saved by Wausau School District employees and stored on the District Servers and District owned devices and within Google under the domain wausauschools.org are considered “Records maintained for personal use by a teacher and others required to hold license under Wis. Stat. sec 115.28(7) are not pupil records, if the records are not available to others.” Data/files shared with others and considered to be “Pupil Records” must be stored in the appropriate location and not within an employee’s District allocated storage locations. District allocated storage locations will be deleted upon the cessation of employment.

Care and Return of District Issued Equipment

Employees are responsible for the reasonable care and protection of District property and equipment issued to them in the course of their employment. This includes but is not limited to technology related equipment (e.g., devices and peripherals), keys, fobs, uniforms, instructional materials, classroom/office items, etc. Employees shall return all District property upon request or upon termination of employment or retirement. Each employee is responsible for the value of any District property not returned at the end of his/her employment or damaged due to abuse or misuse. The District will determine the value of the unreturned or damaged property, which may not exceed actual replacement cost. The employee may reimburse the District for the value of the unreturned or damaged property or the District may withhold such amount from the employee’s remaining pay. In order to mitigate an employee’s financial responsibility, any lost, stolen, or damaged property should be immediately reported to the employee’s supervisor.

Termination of Access Upon End of Employment

In order to maintain the security and integrity of Wausau School District data, systems, and networks, it is necessary to limit access to these systems to only authorized District staff. Accordingly, when an employee ends his/her employment with the District, authorization and access to these systems will cease on the last work day or the last contracted work day. This includes access to all networks, databases, email, and building security. Therefore, prior to the last day of employment, staff members are advised to remove personal data/files which they may have saved on the District’s system/equipment. IMPORTANT – any data or files considered to be Educational Records or containing Student Personally Identifiable Information MUST NOT BE transferred or saved to a personal storage location. Only active employees with a ‘need-to-know’ have legal authorization to view or maintain this information. Please be aware that the last day of employment, which is the date access will be terminated, does not coincide with the employee’s last paycheck date. Any exceptions to this rule will be addressed on an individual basis. Please contact the Human Resources Office prior to your last work day if you believe an exception should be considered.

**Work Schedule**

**Breaks/Rest Periods**
To the extent practicable, employees will be provided with breaks/rest periods per the following guidelines. An employee working six (6) hours or more shall receive two (2) paid ten (10) minute rest periods per shift. An employee working four (4) hours but less than six (6) hours shall receive one (1) paid fifteen (15) minute rest period per shift. When this occurs, the supervisor may opt to make a 30-minute adjustment to the employee’s work schedule within the current or following pay period. Alternately, with the supervisor’s approval, the employee may restart his/her lunch period after the work-related interruption in order to receive a 30-minute uninterrupted break.

Employees who do not have a duty-free lunch period while performing supervision on a field trip or outside activity will be paid for a full lunch period. There will be no expectation of a schedule adjustment for the paid lunch duty.

**Work Schedule Revision/Exchange Days**

In such instances, the employee will make an equivalent exchange of work days to his/her work schedule during the school year in which he/she will take a number of work days off without pay equal to the number of days worked prior to his/her normally scheduled start date. An employee agreeing to a work schedule adjustment with exchange days would maintain the same number of actual paid work days during the fiscal/school year as his/her normal work schedule provides. All work schedule revisions will be at the discretion of administration.

**Breaks/Lunch Period for Nutrition Services Employees**

REDUCTIONS IN POSITIONS OR HOURS

Overview

In the event the Board determines to reduce the number of positions or the number of hours in any position, the provisions set forth in this section shall apply.

Notice of Reduction

The District will give at least two (2) weeks’ notice of any reduction. The notice of reduction shall specify the effective date and that it is the responsibility of the employee to keep the District informed in writing of any changes in the employee’s address.

Selection for Reduction – Steps

The needs of the District shall be the prime consideration used in determining which employees shall be reduced. In the implementation of staff reductions under this section, individual employees shall be selected for full or partial reduction in accordance with the following steps:

A.  Step One - Attrition: Normal attrition resulting from employees retiring or resigning may be relied upon in implementing a reduction.

B.  Step Two - Volunteers: Volunteers will be considered for reduction. An employee who volunteers for layoff or reduction in hours under this section will put his/her request in writing. Volunteers will be considered by the District only if, in the District’s opinion, the remaining employees in the job category are qualified to perform the remaining work. The District will provide the volunteer(s) with a written notice.

C.  Step Three - Selection for Reduction: The District will consider the factors below to select the employee in the affected job category for reduction.

   1.  Job categories for the purpose of this section shall be defined as:

      ● Nutrition Services
      ● Administrative and Educational Support
      ● Municipal
      ● Maintenance & Custodial
2. The District shall utilize the following criteria in order of application for determining the employee reduction:
   a. Educational Needs of the District: Will be those needs as identified and determined by Administration through normal channels in accord with its constituted authority.
   b. Qualifications as established by Administration: including, but not limited to specific skills, certification (if applicable), training, District evaluations, etc.
   c. Qualifications of the Remaining Employees in the Classification: Relevant qualifications will be those experiences and training that best relate to the position(s) to be maintained and District’ needs as determined by Administration. These experiences may include but not be limited to current and past assignments and practical experience in the area of need.
   d. Performance of the Employees Considered for Layoff or Reduction of Hours: Performance of the employees under consideration as previously and currently evaluated. Greater weight may be given to more recent evaluations.
   e. Years of Service of the Employee: The District will annually produce a list identifying the years of service for each employee. The years of service shall be determined on a prorated basis, calculated on actual hours worked in continuous service to the District (excluding Summer School).

Reduction in Hours
Employees who are reduced in hours shall not lose any benefits they have accrued. Benefits are defined as length of service, sick leave, and vacation earned as an employee. Reduced-in-time employees shall be treated as part-time employees under this Handbook. Any employee who is reduced in hours (partial layoff) may choose to be fully reduced.

Reemployment Period
Reduced employees shall retain the reemployment options set forth herein for a period of twelve (12) months after the employee's last day of work with the District or from the time the employee received the notification of reduction, whichever is later.

Reemployment Procedure
All reduced employees shall have their names placed on a reemployment list. In the event a vacancy occurs or a new position in the category in which the employee was reduced is created while employees are on the reemployment list, the District shall first attempt to fill the position utilizing employees on the reemployment list based on the criteria used for determining reduction. Any position unfilled after considering employees on the reemployment list will be posted in accordance with the terms of this Handbook.

Termination of Reemployment Options
Reemployment options shall end if an employee refuses reemployment to a position in the job category, except as provided below. Casual or substitute work with the District during the reemployment period shall not extend the reemployment period. Employees on the reemployment list may refuse reemployment to positions with a substantially different full-time equivalency (FTE), substitute, or temporary positions without loss of the ability to apply to the next available position for which the employee is qualified. Employees on the reemployment list shall not lose reemployment options to an equivalent FTE position(s) if they accept a position with a different FTE level, a substitute appointment, or a temporary appointment with the District.
Accrued Benefits
Employees who are reduced in full shall suffer no loss of sick leave, vacation or other accrued benefits if rehired. Sick leave days, vacation, and length of service time shall not accrue while an employee is not working for the District.

Other Employment
No employee who is reduced in full shall be precluded from securing other employment.

Furloughs
The District may furlough employees for budgetary reasons. The following guidelines apply during furlough periods:

A. Employees shall not receive their wages or salary but are permitted to use accrued vacation, compensatory time (if allowed) or personal leave to receive compensation on furlough days.
B. Employees are prohibited from working.
C. Sick leave, personal leave, etc., shall continue to accrue as if the employees were working.
D. The District shall provide health insurance, dental insurance, etc., at the same level it would have if the employees were working.

Assignments, Vacancies and Transfers

Determination of Assignment
Employees will be assigned or transferred by the Director of Human Resources and Employee Relations or his/her designee.

Job Posting
When a position becomes vacant as determined by the District or when the District creates a new position, the District will post the position on the Wisconsin Education Career Access Network (WECAN) website. A link to job postings will be available on the Wausau School District website (Human Resource Department “Employment Opportunities”). To the extent practicable, an email notification will be sent to all employees when positions are posted. An employee interested in applying for a posted position may submit written application through the Wisconsin Education Career Access Network (WECAN) website. The District may temporarily fill posted positions during the posting and selection period.

Interviews
An employee who applies for a vacant position prior to the end of the posting period may be granted an interview for the position if qualified.

District Ability to Select the Applicant
The District retains the right to select the applicant for any position based upon the needs of the District, including consideration of qualifications of the applicant, any special skills or training by the applicant, prior performance evaluations of the applicant, and references of the applicant. The term applicant refers to both internal candidates and external candidates for the position.
Involuntary Transfers
The District reserves the right to transfer an employee qualified for a position. No employee will be involuntarily transferred by the District without a conference followed by a written notice from the Director of Human Resources and Employee Relations or his/her designee.

EMPLOYEE RESIGNATIONS AND RETIREMENTS

Hourly Employees
Hourly (non-exempt) Support Staff employees must give the District notice of intention to resign or retire. Whenever possible, the Support Staff employee must give such notice at least two (2) weeks prior to the date the employee desires to resign or retire.

Salaried Employees
Salaried (exempt) Support Staff employees must give the District notice of intention to resign or retire. Whenever possible, the Support Staff employee must give such notice at least four (4) weeks prior to the date the employee desires to resign or retire.

Reinstatement
A former Support Staff employee who resigns or retires while in good standing with sufficient notice, may be reinstated through the normal hiring process to an open position, provided that the reinstatement occurs within one (1) year of the date of separation. Upon return, any unused Sick Leave and Personal Leave will be credited to the employee's bank of leave time in Skyward.

EMPLOYEE PERFORMANCE EVALUATIONS

Evaluation
The primary purpose of an employee performance evaluation is to provide continuous improvement in the quality of service to the community/students/staff of the District.

Procedures and Instruments
The District will orient employees regarding evaluation procedures and instruments.

Frequency
The frequency of evaluations shall be established at the discretion of the District.

Receipt of Evaluation
Each employee shall receive a copy of his or her evaluation. The employee will be expected to sign his or her evaluation to acknowledge receipt of the same.

      3) One of the individuals leaves the common residence with the intent to return.

Sick Leave and Long-term Disability

In the event an employee is aware in advance that sick leave benefits of an extended nature will be needed, it shall be the duty of the employee to notify the Human Resources Office in writing as far in advance as possible of the anticipated time and duration of such leave and the reason for requesting such leave. Medical certification verifying the employee’s inability to perform his/her normal work functions must be submitted as soon as practicable. At that time, it will be determined if the employee is eligible for Family Medical Leave.

An employee shall use his/her accrued sick leave, if available, until the time at which he/she may become eligible for long-term disability leave (contact the Payroll Office for details on long-term disability coverage). The employee shall return to work at such time as his/her doctor certifies he/she is medically capable of returning to work. In the event an employee on sick leave, Long-Term Disability, or leave of absence fails to
return to work when medically released to perform his/her assigned duties, he/she may be deemed to have resigned his/her position with the District.

The District may require a certificate from a physician of the District's choosing that an employee on sick leave is medically unable to perform normal duties. The District may require such medical certification from time to time until the employee returns to normal duties.

In the event an employee exhausts all accumulated sick leave and is medically unable to resume normal duties, the employee may be placed on unpaid leave of absence, either as required by law or at the discretion of the Board, for a period not to exceed twelve (12) months. Following exhaustion of an employee’s eligibility for Family Medical Leave (when eligible for such leave), no fringe benefits shall be paid to or accrued by an employee on an unpaid leave of absence.

An employee on an unpaid leave of absence or long-term disability leave may continue insurance coverage, if eligible to receive coverage under the insurance plan, during such leave by paying the full cost of all premiums as they become due. However, if an employee on long-term disability has paid sick leave available, he/she may apply the per diem value of the sick leave to pay for his/her District’s group health insurance premium.

At the expiration of an unpaid leave of absence or long-term disability leave the employee shall be entitled to be reinstated at the current salary to the same or equivalent position in which the employee was employed at the time the leave was granted. Applicable step movement will occur if the leave lasts less than six months.

**Reporting Procedure - Doctor's Certificate**

If at all possible, each employee shall be required to inform his/her supervisor prior to his/her normal daily starting time of his/her need to be absent due to illness. Whenever the supervisor deems such verification appropriate, the employee may be required to furnish the District with a certificate of illness signed by either a licensed physician or a nurse practitioner. Such certificate should include a statement releasing the employee to return to work and a statement as to whether any limitations or restrictions are placed upon the work which may be performed. Nothing in this section shall be interpreted as limiting the District's ability to discipline or discharge employees for excessive absenteeism.

**Holidays during Sick Leave**

In the event that a paid holiday falls within a period when an employee is on accumulated sick leave, it shall be charged as a paid holiday and not deducted from the employee's earned sick leave.

**Donation of Leave for Medical Hardship**

In the event an employee has exhausted all paid vacation, sick, or personal leave prior to qualification for long-term disability coverage, and/or in the event of a serious medical hardship, as determined by administration, the donation of up to two personal or vacation days from other employees in his/her employee category (e.g., Municipal, Administrative & Educational Support, Nutrition Services, Maintenance & Custodial) to be used by said employee in place of paid sick leave, may be approved by the Director of Human Resources and Employee Relations or his/her designee. The donated personal or vacation leave will not exceed 30 days per employee per year due to the serious illness of an employee, and will not exceed 10 days due to the serious illness of a spouse or child. The recipient of donated leave will be paid at his/her current hourly rate. Requests for donated leave must be submitted in writing to the Director of Human Resources and Employee Relations. Donated days will be deducted from each donor’s Skyward account after receiving a signed authorization form.

An employee retiring at the end of the school year may donate up to two (2) days of unused personal leave or paid vacation. The donated leave will be transferred to the appropriate Medical Hardship Account (e.g.,
Municipal, Administrative & Educational Support, Nutrition Services, Maintenance & Custodial), and will be drawn upon for future approved requests for donated leave before asking for additional donated personal leave or vacation days from active employees. Retiring employees wishing to donate unused personal leave and/or vacation days must notify Human Resources in writing two weeks prior to their scheduled date of retirement.

**Bereavement Leave**

Bereavement Leave
In the event of a death, each employee is allotted five (5) Bereavement Leave days per year for regularly scheduled calendar year employees and three (3) Bereavement Leave days per year for all other employees who are regularly scheduled to work five hundred (500) or more hours annually.

Additional Bereavement Leave
If all allotted Bereavement Leave has been used by an employee, additional Bereavement Leave may be requested through Human Resources. Requests must be made in writing to the Director of Human Resources, or designee. If approved, additional hours will be transferred by Human Resources from the employee's accumulated sick hours into Bereavement Leave hours.

New Employees
New employees will receive Bereavement Leave prorated based on date of hire.

Bereavement Leave Increments
Bereavement leave may be allowed in increments of a minimum of one (1) hour, with 15 minute increments thereafter.

**Personal Leave**

Personal Days Provided
One (1) day of Personal Leave will be allocated as of July 1 to employees who are regularly scheduled to work five hundred (500) or more hours annually. All Personal Leave days may be accrued without limit. The Principal should be given three (3) workdays notice, whenever possible, and has the right to deny Personal Leave requests based on District and student needs.

Reasons for and Timing of Personal Leave
Personal Leave is paid leave from work for reasons other than illness or vacation taken at the employee's discretion for needs that are personal. Personal Leave is provided by the District to meet the needs of each individual employee. The Wausau School District understands that an employee’s reason for using Personal Leave is personal. At the same time, the Wausau School District seeks to ensure the timing of Personal Leave preserves our interest in advancing student learning, achievement, and success.

Personal Leave Restrictions
Personal Leave days shall not be used to extend a holiday, vacation, or school recess period. Personal Leave will not be granted during the week prior to the start of school, the first week of school, and during the last two weeks of the school year. Exceptions may be granted solely at the discretion of the Principal.
New Employees
New employees will be allocated prorated Personal Leave based on date of hire.

Personal Leave Increments
Personal Leave may be allowed in increments of a minimum of one (1) hour, with 15 minute increments thereafter.

Unpaid Leave of Absence

Leave of Absence
A. **Application Procedures:** All requests for unpaid leave of absence, other than emergencies, must be submitted in writing to the District at least thirty (30) days prior to the anticipated beginning of the leave. Such application will be reviewed and processed by the Director of Human Resources and Employee Relations or his/her designee, and shall be granted or denied at the District’s discretion. The unpaid leave of absence may not exceed six (6) months. Unless provided otherwise in this Handbook, unpaid leaves of absence will be handled as set forth in this section.

B. **Benefits During Leave:**
   1. Length of service and other benefits shall not accrue during such leave.
   2. The employee may continue health and dental insurance during the leave of absence by remitting the full premium amounts to the District. The continuation of health and dental insurance at the employee’s expense may be contingent upon the health insurance carrier allowing such a benefit. If the premium is not received by the first of the month, the employee’s insurance coverage may be terminated.
   3. During the unpaid leave, the employee shall retain accumulated paid leave, but shall not accrue any additional paid leave.

C. **Placement Upon Return from Leave:** An employee to whom a leave of absence has been granted shall be entitled, at the expiration of the time stated in such leave, to be reinstated to the position in which the employee was employed at the time the leave was granted at the current hourly rate. If the employee cannot return to normal duty at the expiration of such leave, he/she shall be terminated and the job opening may be posted.

Short-Term Leave of Absence
An employee may request up to five (5) workdays without pay for special circumstances with the approval of his/her supervisor/principal and the Director of Human Resources and Employee Relations or his/her designee. An employee requesting a short-term leave of absence must exhaust all Personal Leave and paid vacation prior to the date of requested time off without pay. Short-term leave of absence will not be used in the proration of insurance benefits.
PART III
PROVISIONS FOR EMPLOYEES WITH
INDIVIDUAL CONTRACTS
UNDER § 118.22, WIS. STATS, AND
PROFESSIONAL/ EXEMPT NON-SUPERVISORY
EMPLOYEES
PROFESSIONAL WORK HOURS/WORK DAY

Normal Hours of Work
Education and teaching is a professional occupation. Although professionals’ work is not limited to any specified number of hours or days per week, the “normal” hours of work for full-time employees in positions authorized as “40 hours per week” are considered to be eight (8) hours per day Monday through Friday. The actual workday for each building shall be established by the Board. Buildings will maintain an eight (8) hour schedule. If a teacher accepts a voluntary assignment during his/her duty free lunch period, he/she may include such time as part of his/her eight (8) hour work day.

Administratively-Called Meetings
Staff Meetings: Teachers may be required to attend administratively-called staff meetings. Administratively-called meetings may begin before the normal workday begins or go later than the end of the normal workday. The administration will attempt to provide reasonable notice of all such meetings and the anticipated duration of the meeting.

Other Administratively-Called Meetings
In addition to staff meetings, teachers may be required to attend other administratively called meetings, including meetings of individual educational plan teams, parent-teacher conferences, department meetings, or activities of similar nature, which are normally conducted at other times. Teachers may be required to attend such events regardless of the date, time or duration of said meetings. Teachers required to attend staff meetings or other administratively-called meetings will not receive additional remuneration above their regularly paid salaries for attending such meetings.

Attendance at School Events
Teachers may be required to attend mandatory school events. These events, though not limited by enumeration, may be an open house, music program, art show and/or other District or building events that occur after the normal workday. Whenever possible, teachers shall be given no less than thirty (30) calendar days notice of such events. Teachers who have a co-curricular conflict or have pre-approved coursework to attend may be excused at the discretion of the building administrator or his/her designee. Such conflict should be communicated to the applicable administrator as soon as possible before the date of the school event.

Consultation with Parents
Each teacher shall consult with parents so that parents recognize the important role they play in shaping the attitudes of their children and assume greater responsibility for the performance of their children and for the excellence of our schools. Such consultation may be in the form of phone contacts, home visitations, progress reports, in-person appointments, etc., in addition to the scheduled parent/teacher conferences.

Professional Hours
A. The concept of professional hours means that a teacher and his/her appropriate supervisor(s) will determine the teacher’s hours based upon the completion of his/her duties and the needs of his/her student(s).

B. Teachers are responsible for the completion of their duties as set forth in the teacher job description and those other duties specific to each teacher’s position. Professional hours do not abrogate the teacher’s duty to supervise pupils as assigned outside of these hours.

C. Professional work hours are governed by the following:
   1. The normal work day will be eight continuous hours.
2. Teachers may be required to attend administratively-called meetings and all meetings set forth in the *Administratively-Called Meetings* section.

3. The teacher and his/her appropriate supervisor(s) will determine the employee’s hours based upon the completion of his/her duties and the needs of his/her students. Teachers will be evaluated based upon the completion of their duties rather than on adherence to a fixed time schedule. An example of this would be as follows: An employee has a preparation period from 10:35 a.m. to 11:20 a.m., Monday through Friday. The employee would be free to take professional hours for the time period between 10:35 a.m. and 11:20 a.m. unless an administratively-called meeting was designated during that time period. The employee is free to work during that forty-five (45 minute) period as regularly scheduled or he/she is free to take those forty-five (45) minutes off from employment provided he/she has completed his/her regularly assigned duties and has met the needs of his/her student(s).

D. It is not the intent of the Professional Hours section to require more or fewer meetings and conferences, nor is it the intent to have teachers present only in the classroom during instructional time and disregard their normal teaching responsibilities.

**Emergency School Closures**

In the event the District is closed or an individual building(s) is closed, full or partial day closures may be made up at the discretion of the District. The District shall, at a minimum make up all days/hours necessary to guarantee the receipt of state aids and/or necessary to meet the minimum annual school year requirements (days and hours) of the State of Wisconsin. Teachers shall not receive additional compensation in the event the District requires such day(s)/time to be made up with or without pupils.

**School Calendar**

The school calendar shall be determined by the Board. For the 2019-2020 school year, the calendar shall consist of one hundred and eighty-nine (189) scheduled work days. The determination of the structure of the days, e.g. instructional, in-service, workdays, etc., shall be at the discretion of the Board.

**Collaboration and Instructional Planning Time**

Teachers will receive regularly scheduled collaboration and instructional planning time each week without student contact and within the regularly scheduled student day. Teachers shall spend this time performing professional duties. Teachers who lose this time due to special school activities shall not receive compensation for the lost time. All other time within the regular scheduled workday may be assigned by the Administration. The 30-minute duty free lunch period shall not be counted as collaboration and instructional planning time.

**Reduction in Force, Positions and Hours**

**Reduction in Force**

At times it may be necessary to reduce the number of staff employed by the District. In the event that the District, in its sole discretion, determines that it is necessary to reduce the number of positions or the number of hours in any position, the provisions set forth in this section shall apply.
Notice of Reduction
The District will provide full-time teachers with a notice of nonrenewal for purposes of reduction in accordance with the timelines set forth in section §118.22, Wis. Stats. The nonrenewal notice shall specify the effective date of the nonrenewal, the right to a private conference under section 118.22, Wis. Stats. and will refer the employee to the Reduction in Force provision in this Handbook. Part-time teachers are not subject to 118.22, and will only be provided a notice of reduction on or before May 30.

Procedure for Reduction
The needs of the District shall be the prime consideration used in determining which employees shall be reduced. In the implementation of staff reductions under this section, individual employees shall be selected for full or partial reduction in accordance with the following steps:

A. Step One - Attrition: Normal attrition resulting from employees retiring or resigning will be relied upon to the extent that it is administratively feasible in implementing staff reductions.

B. Step Two - Volunteers: Volunteers will be reduced next. Requests for volunteers will be sent to employees within each grade level, departmental and certification area. An employee who volunteers to be reduced under this section will put his/her request in writing. Volunteers will only be accepted by the District if in the District's opinion the remaining employees in the department/certification area are qualified to perform the remaining work. Volunteers will be treated as a District directed reduction under this section of the Handbook.

C. Step Three - Selection for Reduction: The elimination of a position does not necessarily mean the teacher occupying the position will be dismissed. When determining who will be reduced as part of a Reduction in Force, the District will consider the following criteria:

1. Educational Needs of the District: Will be those needs as identified and determined by administration.
2. Qualifications: Including, but not limited to specific skills, certification [if applicable], training, etc.
3. Qualifications of the Remaining Employees in the Grade Level, Department or Certification Area: Relevant qualifications will be those experiences and training that best relate to the position(s) to be maintained and District needs. These experiences shall include but not be limited to current and past assignment and practical experience in the area of need.
4. Performance of the Employees: Performance of the employees under consideration as reflected in previous and current District evaluations.
5. Length of Service of the Employee.

Although length of service in the District will be considered when reducing employees, it will not be the sole deciding factor in any decision regarding who will be reduced. Employees, who are reduced, do not have any right to displace or “bump” another employee.

Reduction in Hours
Employees who are reduced, and such reduction results in a reduction in hours, shall not lose any benefits they have accrued. Benefits are defined as length of service and sick leave earned as an employee. Reduced in time employees shall be treated as part-time employees under this Handbook and shall accrue additional benefits accordingly based on their part-time.
Reemployment
The hiring of employees shall be determined based on the need for the most qualified candidate. An employee who has been reduced by the District may apply for any open position for which he/she is qualified, but he/she does not have any right to be recalled to a position.

In calculating an employee’s length of service to the District, any time allocated to a reduction will not be included.

Reduced employees shall suffer no loss of sick leave or other accrued benefits if rehired within three (3) years.

**Teacher Assignments, Vacancies and Transfers**

**Determination of Assignment**
Teachers will be assigned or transferred by the Superintendent or his/her designee.

**Assignment Preference Consideration**
Teachers may express in writing to the Director of Human Resources or his/her designee their preference of a) school; b) grade level; or c) subject. Preferences should be submitted by February 15 in order to be given consideration for the following school year. If a teacher wishes to be transferred to another position which may open during the summer, application for a transfer should be made in WECAN, and in writing to the Director of Human Resources or his/her designee.

**Job Posting**
When the District determines that there is a vacancy to be filled through the posting process, notice of such available position shall be posted on the District’s website (through WECAN) for a minimum of five (5) days. The District may temporarily fill vacant positions at its discretion during the posting and selection period. The notice shall include the date of posting, the deadline for submitting application, the level and license/certification required, the anticipated start date, and any other qualifications required for the position.

**Process for Filling Vacancies**
An employee who applies for a vacant position, prior to the end of the posting period, may be granted an interview for the position. The District will attempt to select the most qualified applicant for any position based upon stated job descriptions (this does not prohibit the District from considering qualifications that are related to the position and exceed those minimum qualifications listed in the job description) and the right to determine when to consider outside applicants. The term “applicant” refers to both internal candidates and external candidates for the position.

**Involuntary Transfers**
When the District determines that an involuntary transfer of an employee is necessary, the District may, at its discretion, transfer any employee in the District qualified for the position. An employee who is involuntarily transferred shall suffer no loss of wages or other fringe benefit as a result of such transfer. An employee who is involuntarily transferred and chooses to resign his/her position shall not be assessed liquidated damages. The employee must submit a written resignation to the Director of Human Resources within 15 calendar days of receipt of the involuntary transfer notice.
**Teacher Absence and Substitutes**

When a teacher is to be absent from school, it is the responsibility of the teacher to follow the following procedure to by entering an absence into SubConnect to report their absence and to secure a substitute.

E. Short-notice Absences such as Sick, Dependent Childcare, Serious Illness, Funeral, and Personal Leave:

F. Pre-arranged Absences:

   5. Report your absence to the building secretary or the secretary where the absence starts prior to the absence date, and
   6. Enter the absence details into Skyward Employee Access prior to your absence (after your absence has been approved, it will show up in True Time).

**Summer School Assignments**

When possible, summer school subjects should be made known on or before May 15. All current teachers in the District may apply for summer school positions in the same manner as non-District teachers through the WECAN system. Employees teaching summer classes shall be given a summer school session contract, in accordance with section §118.22, Wis. Stats.

**Extended Contracts**

Additional contract days may be added to the contracted school calendar for each teacher at the discretion of the District. Teachers shall be compensated for said days at their individual contracted per diem rates of pay for each of the extended contract days. Days may be scheduled in full or partial day increments.

**Employee Resignations**

A. The teacher’s individual contract shall be considered binding on both parties. If for any reason a teacher asks for release from the contract, it is understood that the following conditions for release shall apply:
1. The teacher must give the District notice that he/she intends on severing his/her contract with the District. Whenever possible, the teacher must give such notice at least sixty (60) calendar days prior to the date the employee desires the severance to occur.

2. It is agreed that liquidated damages are due to the District with the sixty (60) calendar day notice of resignation as follows:
   a. One thousand hundred dollars ($1,000) if the employee’s resignation is effective on or before June 30th.
   b. Two thousand dollars ($2,000) if the employee’s resignation is effective July 1 through July 31st.
   c. Three thousand hundred dollars ($3,000) if the employee’s resignation is effective August 1 through the final contract day of the current contract year.

3. Liquidated damages and the sixty (60) calendar day notice requirement would not apply to teachers who do not return their contracts by June 15th, or whose resignation is tendered and effective after the end of the school year, but before June 16th.

4. The employee may choose to have liquidated damages deducted from the employee’s last paycheck(s) or the employee shall submit a check for the liquidated damages amount at the time of resignation.

B. The Board in its discretion may waive the liquidated damages for the following reasons:

1. Employment transfer of spouse or domestic partner;

2. Illness of employee;

3. Other reasons as determined by the Board of Education.

In the event the District chooses to waive the liquidated damages, the District shall return any damages submitted with the resignation notice to the employee.

C. An employee who is involuntarily transferred and chooses to resign his/her position shall not be assessed liquidated damages. The employee must submit a written resignation to the Director of Human Resources within 15 calendar days of receipt of the involuntary transfer notice.

D. An employee who is involuntarily called into service by the United States government for military duty shall not be assessed liquidated damages under this Article.

The Board is not precluded from seeking and recovering the actual amount of damages from a breach of individual contract.
Reinstatement
A former Certified Staff employee who resigns while in good standing with sufficient notice, may be reinstated through the normal hiring process to an open position, provided that the reinstatement occurs within one (1) year of the date of separation. Upon return, any unused Sick Leave and Personal Leave will be credited to the employee's bank of leave time in Skyward.

DISCIPLINE, TERMINATION, AND NONRENEWAL

Standard for Nonrenewal for Full-Time Teachers
Newly employed full-time teachers and other professional or certified staff will be evaluated and assessed to determine if the teacher has the skills, abilities and talents to successfully teach in the Wausau School District. Generally, this process will span an introductory period of three complete teaching years. However, all teachers and other professional or certified staff are expected to continue to demonstrate these skills, abilities and talents throughout their careers.

In the event that a full-time teacher shall be non-renewed based on performance, subject to the provisions of section §118.22, Wis. Stats, such action shall be taken only after the direct observation and evaluation of the teacher. Efforts will also be made to offer guidance to correct identified teaching deficiencies.

Standard for Discipline and Termination
A teacher may be disciplined or terminated during the term of the individual contract. Such discipline or termination shall be subject to the District’s Employee Grievance Policy and Procedure.

A teacher may be disciplined or terminated if there is a factual basis for the discipline or termination. The factual basis must support a finding of employee misconduct in which the District has a disciplinary or termination interest.

TEACHER SUPERVISION AND EVALUATION

General Provisions
The Wausau School District seeks to attract, retain, and develop a high quality, diverse, creative, and innovative workforce of leaders. As such, teacher supervision and evaluation is viewed as a continuing process for the purpose of improving instruction and assessing individual performance of staff members. To support this goal a performance evaluation system will be utilized.

All formal evaluations will include direct observation of teacher performance. Evaluations will be conducted utilizing processes and instruments adopted by the District (i.e., Wisconsin Educator Effectiveness System). Copies of the formal evaluation process and instruments are available from building principals and the Education Department.
Evaluators
Every teacher in the District will be supervised and evaluated by an administrator and/or his/her designee. The administrator may be a certified building principal, assistant principal, or District administrator. The administrator may be a District employee or a non-District employee who is a certified administrator.

Intensive Support
Intensive support is the supervision and evaluation procedure applied to teachers whose performance has not met expectations as of the most recent evaluation conference. Intensive support is designed to improve the overall performance of a teacher whose overall performance has not met expectations. Teachers whose overall performance has not met expectations may, at the discretion of the District, receive intensive support or may be non-renewed pursuant to §118.22, Wis. Stats. If in the District’s discretion intensive support is offered, the process shall be as follows:

1. **Goal of Intensive Support:** The goal of intensive support is for the teacher to meet expectations. The intensive support plan will be designed to meet the specific needs of the teacher and the performance expectations of the District.

2. **Content of Intensive Support:** It may include a description of the teacher’s goals for improvement, a description of appropriate performance, a plan to help the teacher develop required skills, a schedule of formal and informal observations to be conducted during the school year, and a target date by which time the teacher will perform satisfactorily. The plan is not limited to, but might include the following interventions: any means of professional development, observations and/or support by experts outside the District, and/or peer coaching or mentoring.

Professional Development of New Teachers
New-to-the-District teachers may spend up to the hourly equivalent of three work days, some prior to the beginning of school, without additional compensation preparing professional and curriculum materials and lesson plans (in addition to being oriented to the District, evaluation practices and general expectations for their assignments).

Initial Educator Professional Development
The individual teacher who holds an Initial Educator License is responsible for developing a Professional Development Plan (PDP). The PDP must demonstrate increased proficiency and professional development based on the Wisconsin Educator Standards. The Initial Educator is also responsible for initiating an annual review of the PDP by the Initial Educator’s Review Team (IERT) that is convened by the Initial Educator.

Mentor Program
1. An initial educator will be provided a mentor by the District. Any teacher interested in being considered for serving as a mentor must submit a letter indicating interest by June 1 of each year to the Human Resources Department. When mentors are selected by the District, volunteers will be considered first. If the District deems that a suitable match cannot be made from the list of volunteers, the District may contact other teachers who are qualified mentors. The District reserves the right to use qualified persons who are not District employees or continuing teachers.

2. If a teacher is selected as a mentor, he/she shall be paid a stipend for the period served as a mentor for an initial educator. Mentoring responsibilities and approximate time commitment are as follows, and may be revised at the District’s discretion:
   - Attendance at seven initial educator induction/training sessions (14 hours total);
● Weekly communication with the initial educator. A minimum of three hours per month (40 minutes per week) of meeting time is required (24 hours total);
● Six (6) hours observation in the initial educator’s classroom. Post observation conference discussions may be counted toward the required monthly meeting time (noted above);
● Documentation: Mentors must maintain a contact log which will include the date, time, and topic or purpose of the meeting/contact, e.g., observations, post conferences, meetings, etc. and submit to Human Resources in order to receive compensation. Compensation may be prorated based on total hours documented.
● Compensation for mentoring a first year initial educator is $900.00, and for second year initial educator, $600.00. Blank copies of the mentor contracts for first and second year teachers are included in Appendix C of this Handbook.

3. A teacher serving as a mentor may request that the District assign him/her to a different initial educator and/or be relieved completely from mentor responsibilities. The request must be in writing to the Director of Human Resources or his/her designee. The Director of Human Resources or his/her designee will respond to the request in a timely manner. The Director of Human Resources or his/her designee will grant the request if in his/her discretion, a qualified replacement mentor is available. The teacher will serve as the mentor until such time as the suitable replacement is found. In the event a mentor is replaced, compensation will be prorated for the period served as a mentor.

4. The initial educator receiving mentoring may request the District to provide a different mentor. The request must be in writing to the Director of Human Resources or his/her designee. The Director of Human Resources or his/her designee will respond to the request in a timely manner.

5. The District will make a good faith effort to assign an individual mentor for each initial educator; however, a mentor may elect to work with more than one employee.

SICK LEAVE

Sick Leave Provided
Each teacher shall be entitled to ten (10) days of paid Sick Leave per year cumulative to a maximum of one hundred and thirty (130) days. Part-time teachers will receive prorated sick days based on the percentage of time they work.

Sick leave allocations will be prorated based on date of hire during the first year of employment. Sick Leave can also be used for medical or dental appointments that cannot be scheduled outside of the employee’s regularly scheduled hours. If employment terminates within the first six (6) months of employment the employee will reimburse the District for all days paid in excess of those earned.

Summer School teachers may draw upon sick leave while teaching Summer School at the rate of pay said teacher receives for Summer School.

Sick Leave Increments
Sick leave may be used in minimum increments of one hour, and in increments of 15 minutes after the first hour.

Dependent Child Care
Six (6) of an employee’s allotted sick days may be used for dependent child care each year. Dependent child care shall be defined as a situation where a dependent child must remain home due to illness and the employee’s
presence is required to care for the dependent child, and for medical or dental appointments that cannot be scheduled outside of the employee’s regularly scheduled hours.

**Serious Illness of an Immediate Family Member**

Three (3) of an employee’s allotted sick days may be used for serious illness of an immediate family member each year. Serious illness shall be defined as a surgical procedure or a doctor’s appointment for a person in the employee’s immediate family. The interpretation of immediate family shall include spouse, parent, domestic partner, adult son, son-in-law, adult daughter, daughter-in-law, brother, sister, grandparent, and grandchild of an employee, or the same relatives of the employee’s spouse or domestic partner.

A. **Definitions:** the following definitions apply under this section:

1. **Child:** means a natural, adopted, foster or treatment foster child, a stepchild or a legal ward who is less than eighteen (18) years of age or the individual is eighteen (18) years of age or older and cannot care for himself or herself because of a serious health condition.

2. **Parent:** means a natural parent, foster parent, treatment foster parent, adoptive parent, stepparent or legal guardian of an employee, or the same relative of an employee's spouse or domestic partner.

3. **Spouse:** means an employee's legal husband or wife.

4. **Serious Illness:** means a disabling physical or mental illness, injury, impairment or condition involving any of the following:
   - a. Inpatient care in a hospital, nursing home, or hospice.
   - b. Outpatient care that requires continuing treatment or supervision by a healthcare provider.

5. **Domestic Partner:** means a relationship between two (2) individuals that satisfies all of the following:
   - a. Each individual is at least eighteen (18) years old and otherwise competent to enter into a contract.
   - b. Neither individual is married to, or in a domestic partnership with another individual.
   - c. The two (2) individuals are not related by blood in any way that would prohibit marriage under § 765.03, Wis. Stats.
   - d. The two (2) individuals consider themselves to be members of each other's immediate family.
   - e. The two (2) individuals agree to be responsible for each other's basic living expenses.
   - f. The two (2) individuals share a common residence. Two individuals may share a common residence even if any of the following applies:
      - 1) Only one of the individuals has legal ownership of the residence.
      - 2) One or both of the individuals have one or more additional residences not shared with the other individual.
      - 3) One of the individuals leaves the common residence with the intent to return.

**Sick Leave and Long-term Disability**

In the event an employee is aware in advance that sick leave benefits of an extended nature will be needed, the employee shall notify the Human Resources Office in writing as far in advance as possible of the anticipated time and duration of such leave and the reason for requesting such leave. Medical certification verifying the employee’s inability to perform his/her normal work functions must be submitted as soon as practicable. At that time, it will be determined if the employee is eligible for Family Medical Leave.

An employee shall use his/her accrued sick leave, if available, until the time at which he/she may become eligible for long-term disability leave (contact the Payroll Office for details on long-term disability coverage). The employee shall return to work at such time as his/her doctor certifies he/she is medically capable of returning to work. In the event an employee on sick leave, Long-Term Disability, or leave of absence fails to
return to work when medically released to perform his/her assigned duties, he/she may be deemed to have resigned his/her position with the District.

The District may require a certificate from a physician of the District's choosing that an employee on sick leave is medically unable to perform normal duties. The District may require such medical certification from time to time until the employee returns to normal duties.

In the event an employee exhausts all accumulated sick leave and is medically unable to resume normal duties, the employee may be placed on unpaid leave of absence, either as required by law or at the discretion of the Board, for a period not to exceed twelve (12) months. Following exhaustion of an employee’s eligibility for Family Medical Leave (when eligible for such leave), no fringe benefits shall be paid to or accrued by an employee on an unpaid leave of absence.

An employee on an unpaid leave of absence or long-term disability leave may continue insurance coverage, if eligible to receive coverage under the insurance plan, during such leave by paying the full cost of all premiums as they become due. However, if an employee on long-term disability has paid sick leave available, he/she may apply the per diem value of the sick leave to pay for his/her District’s group health insurance premium.

At the expiration of an unpaid leave of absence the employee will be entitled to be reinstated to the same or equivalent position in which the employee was employed at the time the leave was granted when a position is available. Applicable step movement will occur if the leave lasts less than six months.

**Reporting Procedure - Doctor's Certificate**

If at all possible, each employee shall be required to inform his/her supervisor prior to his/her normal daily starting time of his/her need to be absent due to illness. (Refer to “Absence Reporting Procedures” in this Handbook). Whenever the supervisor deems such verification appropriate, the employee may be required to furnish the District with a certificate of illness signed by either a licensed physician, a nurse practitioner, or a physician assistant. Such certificate should include a statement releasing the employee to return to work and a statement as to whether any limitations or restrictions are placed upon the work which may be performed. Nothing in this section shall be interpreted as limiting the District's ability to discipline or discharge employees for excessive absenteeism.

**Holidays during Sick Leave**

In the event that a paid holiday falls within a period when an employee is on accumulated sick leave, it shall be charged as a paid holiday and not deducted from the employee's earned sick leave.

**Donation of Leave for Medical Hardship**

In the event an employee has exhausted all paid sick or personal leave prior to qualification for long-term disability coverage, and/or in the event of a serious medical hardship, as determined by administration, the donation of up to two personal days from other employees in his/her employee category (e.g., Certified Staff) to be used by said employee in place of paid sick leave, may be approved by the Director of Human Resources and Employee Relations or his/her designee. The donated personal leave will not exceed 30 days per employee per year due to the serious illness of the employee, and will not exceed 10 days due to the serious illness of a spouse or child. The recipient of donated leave will be paid at his/her current hourly rate. Requests for donated leave must be submitted in writing to the Director of Human Resources and Employee Relations. Donated days will be deducted from each donor’s Skyward account after receiving a signed authorization form.

An employee retiring at the end of the school year may donate up to two (2) days of unused personal leave. The donated leave will be transferred to the Teachers and Certified Staff Medical Hardship Account and will be
drawn upon for future approved requests for donated leave before asking for additional donated personal leave from active employees. Retiring employees wishing to donate unused personal leave must notify Human Resources in writing not later than June 1st.

Bereavement Leave

Bereavement Leave
In the event of a death, each employee is allotted five (5) Bereavement Leave days per year for regularly scheduled calendar year employees, and three (3) Bereavement Leave days per year for all other employees who are regularly scheduled to work five hundred (500) or more hours annually.

Part-time teachers will receive a prorated bereavement leave based on the percentage of time they work. If a part-time teacher’s schedule is such that he/she works one or more full-time days within a week and bereavement leave is taken on one of the full-time days, bereavement leave shall be used in accordance with the prorated portion of the day taken off. The part-time teacher will be expected to work the balance of that day (if applicable) or receive a payroll deduction for that portion of the day not covered by bereavement leave. (Example: A .50 FTE teacher receives 3 one-half days of bereavement leave each year. He/she is scheduled to work a full day on Tuesday and Wednesday and a half-day on Thursday. He/she is granted bereavement leave for the entire day on Tuesday and Wednesday. The three allotted bereavement days will be used. And the other half-day will be deducted as time off without pay.)

Additional Bereavement Leave
If all allotted Bereavement Leave has been used by an employee, additional Bereavement Leave may be requested through Human Resources. Requests must be made in writing to the Director of Human Resources, or designee. If approved, additional hours will be transferred from the employee’s accumulated sick hours into Bereavement Leave hours.

New Employees
New employees will receive Bereavement Leave pro-rated based on date of hire.

Bereavement Leave Increments
Bereavement leave may be allowed in increments of a minimum of one (1) hour, with 15 minute increments thereafter.

Personal Leave

Personal Days Provided
One (1) day of Personal Leave will be allocated as of July 1 to employees who are regularly scheduled to work five hundred (500) or more hours annually. All Personal Leave days may be accrued without limit. The Principal should be given three (3) workdays notice, whenever possible, and has the right to deny Personal Leave requests based on District and student needs.

Personal Leave Restrictions
Personal leave days shall not be used to extend a holiday, vacation, school recess period, or on an in-service day. Personal leave shall not be used during parent-teacher conferences, except in a stated emergency. Personal
leave will not be granted during the first five days of school or after May 1, without a stated reason. Exceptions may be granted solely at the discretion of the Principal.

New Employees
New employees will be allocated prorated Personal Leave based on date of hire.

Personal Leave Increments
Personal Leave may be allowed in increments of a minimum of one (1) hour, with 15 minute increments thereafter.

**Unpaid Leave of Absence**

**Leave of Absence**
Upon recommendation of the Director of Human Resources or his/her designee, a leave of absence may be granted by action of the Board of Education to permit a teacher who has not taken other leave for a full school year in the school year prior to the year of the requested leave of absence under this provision: (1) to be an exchange teacher; (2) to travel; (3) to explore an alternative career; or, (4) for any other reason deemed acceptable to the Board. Written request for a full year leave of absence shall be submitted to the Director of Human Resources or his/her designee no later than April 15 in the year prior to the school year for which the leave would be effective. Requests submitted after April 15 due to special circumstances will be submitted to the Board of Education at the discretion of the Director of Human Resources or his/her designee. The duration of such leaves will be for an entire school year.

**Placement Following Leave of Absence**
A teacher on a leave of absence will return at the same base salary as he/she would have been at the beginning of his/her leave of absence. Time spent in study or other approved educational work may, at the sole discretion of the District, be credited to the teacher in determining salary status. The District reserves the right to place a teacher in an appropriate teaching assignment upon return from a leave of absence.

**Benefits During Leave**
1. Length of service and other benefits shall not accrue during such leave.
2. The employee may continue health and dental insurance during the leave of absence by remitting the full premium amounts to the District. The continuation of health and dental insurance at the employee’s expense may be contingent upon the health insurance carrier allowing such a benefit. If the premium is not received by the first of the month, the employee’s insurance coverage may be terminated.
3. During the unpaid leave, the employee shall retain accumulated paid leave, i.e., sick leave and personal leave, but shall not accrue any additional paid leave.

Benefit Supplement

Wausau Education Association
HEALTH AND DENTAL INSURANCE

Carrier
The Board shall determine the health and dental insurance carriers, programs, and the level of benefits.

Health
The District shall pay 85 percent of the cost of monthly medical insurance premiums for those teachers qualifying for group family or single insurance coverage, provided that the District may lower the premium contribution if it reasonably determines that such a change is necessary to avoid the imposition of any excise tax or similar costs or penalties. For purposes of this provision, teachers beginning work prior to January 1 will be considered to have completed a full year of employment for that year.

Dental
The District shall pay 90 percent of the cost of the monthly insurance premiums for those who qualify for group family or single dental insurance coverage, provided that the District may lower the premium contribution if it reasonably determines that such a change is necessary to avoid the imposition of any excise tax or similar costs or penalties.

Part-time Employees
Regular part-time employees shall receive a prorated payment of the Health and Dental insurance as described above based upon their teaching load compared to a full teaching load. (For example, a teacher teaching 60 percent of a full load shall have the Board pay 60 percent of the amount provided for the appropriate insurance program.)

New Employees
New employees shall be eligible to receive health and dental benefits from the first day they report to work. All continuing employees shall be covered from September 1 through August 31. Any employee terminating his/her employment with the District at the end of the school year who has fulfilled all contractual duties will continue to receive benefits through August 31.

Retirement

Eligibility
Applicants for voluntary retirement benefits must be regular degree-holding teachers retiring prior to the age of Medicare eligibility, at least 55 years of age and eligible to draw retirement benefits under the Wisconsin Retirement System on or before December 31 of the school year following their retirement from the District, as well as must meet the following criteria.

1. Except as otherwise included in paragraph 2 or 3 below, teachers must have accumulated not less than the full-time equivalent of ten (10) years of service in the District to be eligible for voluntary early retirement benefits.

2. Teachers employed as of December 31, 2005 who are 15 (fifteen) or more years below the age of eligibility to draw WRS benefits must accumulate not less than the full-time equivalent of 15 (fifteen) years of service in the District to be eligible for voluntary early retirement benefits.
3. Teachers hired after December 31, 2005 must accumulate not less than the full-time equivalent of 15 (fifteen) years of continuous service to be eligible for voluntary retirement benefits.

Application
A letter of application for voluntary retirement must be filed with the District no later than December 1 of the school year in which a teacher retires. The effective date for voluntary retirement pursuant to this Article shall be the teacher’s last contract day.

Retirement Benefits for Teachers Hired Prior to January 1, 2011
1. The District shall make the same health insurance premium contributions on behalf of voluntary retirees, to the health insurance plan in effect for teachers, that are made on behalf of all other unit employees in an amount not to exceed $980 per month for family coverage or $400 per month for single coverage, except as provided in Paragraph 5. The Board will make said contributions for a period of 120 months or until any one of the following occur:
   a. the retiree becomes eligible for Medicare at which time he/she is no longer eligible to remain on the health insurance plan;
   b. alternate and comparable coverage, at a comparable cost, is available to the retiree because of other employment;
   c. the retiree drops from the group and therefore is not eligible to rejoin.

2. If the retiree is on a single plan at the time of retirement, he or she must remain on the single plan. If the retiree is on a family plan at the time of retirement, he or she may remain on the family plan until the spouse of the retiree dies or the spouse reaches the age of Medicare eligibility and/or there are no dependents. The subscriber then automatically goes to a single plan for the duration of coverage (i.e., not eligible to go back to family plan).
   a. In the event the spouse is younger than the retiree, the spouse, if eligible by carrier standards, shall be able to remain in the group health insurance plan until reaching the age of Medicare eligibility.

3. In the event the retiree precedes his or her spouse in death, the spouse shall be able to remain in the health insurance plan, until reaching the age of Medicare eligibility. The Board shall continue to make the same health insurance premium contributions on behalf of the retiree’s spouse, to the health insurance plan in effect for teachers that are made on behalf of all other unit employees in an amount not to exceed $980 per month for family coverage or $400 for single coverage. The District’s insurance premium contributions for the surviving spouse shall continue for the same number of months that would have been provided to the retiree. If the retiree has dependents at the time of death, the surviving spouse may continue on a family plan until there are no prior dependents of the retiree eligible to continue on the plan, at which time the surviving spouse will convert to a single plan for the duration of coverage (i.e., not eligible to go back to family plan).

4. When two (2) teachers in the District are married to each other, each spouse shall be eligible for voluntary retirement benefits pursuant to this article. In the event both teachers elect to retire (one may precede the other in retirement), each spouse will be eligible for up to 120 months continued District contributions, as defined above. Benefits may be combined or modified as follows:
   a. if both teachers retire at the same time, they may combine their benefits each month whereby the District will pay the full monthly premium for a family plan (or two single plans if a cost/benefit analysis determines it to be mutually beneficial) up to a maximum monthly District contribution equal to the sum of the single and family caps (i.e. $1330).
   b. if one spouse retires before the other,
i. the family’s coverage will be transferred to the working spouse and the retiree may opt to use one month of his/her benefit to pay the working spouse’s share of the monthly premium for family coverage;

ii. the spouse retiring first may bank his/her benefit and use it to combine with the other spouse’s benefit when they are both retired, as described above (the caps in effect when the first spouse retires will be in effect for the duration of the couple’s retirement);

c. upon reaching Medicare eligibility, the retiree’s benefits will terminate; unused months are not transferable to the other spouse.

d. if one spouse reaches Medicare eligibility, the remaining spouse may stay on the plan with a benefit cap of half the sum of the single ($400) and family caps ($980) (i.e. $690).

5. An eligible voluntary retiree at age 54 whose 55th birth date occurs between August 31 and January 1 will be responsible for payment of his/her entire health insurance premium commencing in September until the month he/she reaches age 55. In the event the WRS increases the minimum retirement age above 55 the ages referenced in paragraph A above will be adjusted accordingly to maintain the same intent.

6. Employees who voluntarily retire, pursuant to this article, shall be able to remain in the dental group insurance coverage maintained by the District consistent with past practice.

Stipulation
In the event that an analysis of the cumulative costs/savings for this program depicts costs exceeding savings, the District shall not be obligated to approve that employee's retirement or any additional retirements.

Retirement Benefits for Teachers Hired after January 1, 2011
The Board will make an annual contribution to a retirement account on behalf of each teacher. The Board will also make an annual matching contribution up to the applicable limit. Money in the teacher’s account will be available upon the teacher’s retirement or upon end of employment, per the vesting schedule. Eligibility requirements for retirement are as set forth under the Eligibility section above. See Appendix F for additional information.

Exclusion
Retirement benefits shall not apply to any teacher who is discharged or non-renewed.

Waiver
The retiree, by voluntarily accepting this retirement benefit, shall unequivocally and explicitly waive any rights or claims the retiree may have under the Federal Age Discrimination in Employment Act of 1967 (29 U.S.C. 621, et seq.) as amended by the Older Worker Benefits Protection Act of 1990 and the Wisconsin Fair Employment Act (WI Stat. §§ 111.321, 111.322, 111.33). Such waiver shall be demonstrated only by the execution of a Release and Waiver Agreement provided by the Board, a sample of which is attached to this Handbook as Appendix D.
COMPENSATION FOR COACHING ASSIGNMENTS

HIGH SCHOOL
Individuals performing coaching assignments will be compensated for such assignments at a Base of $43,507.85 for 2019-2020.

Teachers serving continuously in Coaching positions shall be placed at the appropriate pay and experience level with the following exception: Should such placement result in a loss of pay for that individual, the individual will continue to be held at the rate of pay they would have received under the prior coaching compensation schedule until such time that a placement on the current coaching schedule can be made without a loss in pay.

Coaches will accumulate one year of experience for each year of service, on a school year basis, in each sport that they coach.

Years of experience will be accumulated on a per-sport basis, and shall not transfer between different sports with the following exceptions: Boys and Girls Tennis, Boys and Girls Basketball, Boys and Girls Swimming, Boys and Girls Track, Baseball and Softball, and Boys and Girls Soccer are considered comparable sports, and accumulated years of experience will carry over between the Boys and Girls sports.

Additional compensation for years of experience will be paid to coaches, in addition to the coaching compensation percentages, at the following levels of experience: Five to nine years of experience, .5% of Base; Ten to fourteen years, 1.5% of Base; Fifteen to nineteen years, 2% of Base; Twenty to twenty-four years, 2.5% of Base; Twenty-five to twenty-nine years, 3% of Base; 30-plus years, 3.5% of Base.

Coaches who separate from coaching, and then seek to return to coaching in the same or comparable sport, will be placed in the salary schedule according to their previous years of district coaching experience in that sport or comparable sport.

Coaches may only hold one coaching position per sport season.

MIDDLE SCHOOL

Individuals performing coaching assignments at the middle level will be compensated for such assignments at the MA lane on a step consistent with years of District coaching experience in that sport.

Effective July 1, 1999, those active, continuing coaches who are above the MA lane as of October 1, 1999, will be compensated for such assignments in their lane of record as of that date and will remain in that lane for the duration of their active continuation of such assignments. “Active continuation shall mean those coaches who coached a sport during the 1998-99 school year and will continue in the same sport for the 1999-2000 school year and beyond.”

Coaches will accumulate one year of experience for each year of service, on a school year basis, in each sport that they coach.

Coaches who separate from coaching, and then seek to return to coaching in the same sport, will be placed in the salary schedule according to their previous years of district coaching experience in that sport.
NUMBER OF COACHES

The District recognizes the number of coaches, identified by sport, as the current maximum number of coaches required to field the existing number of teams in each sport. Additions or reductions of coaches in any sport will be considered under the following conditions:

- If the number of athletes in any sport increases to the point that safety and effective skill instruction is jeopardized, a request for an additional coach is warranted.
- If the number of athletes increases or decreases to cause an addition or reduction in the number of teams in any sport, consideration to add or reduce a coach is warranted.

The Board determines the number of coaches to be assigned to each sport.

Provisions related to additional compensation for years of experience will not be applicable for 2011-2012 and 2012-2013.
(Note: This is included based on the Board’s intent to have no step payments granted).

HEALTH AND DENTAL INSURANCE

The District shall determine the health and dental insurance carriers, programs, and coverage.

The District shall contribute toward the cost of monthly health and dental insurance premiums for group family or single coverage for employees who are regularly scheduled to work at least one thousand (1,000) hours per contract year.

Eligibility ranges, based on annual work schedule, are listed below as Level 1, 2, or 3.

The District’s contribution toward the premium for the health and dental plan will be as follows based on hours regularly scheduled for the employee:

- 1,430 to 1,950 hours – Level 1 - 85% health/90% dental
- 1,330 to 1,429 hours – Level 2 - 80% health/dental
- 1,000 to 1,329 hours – Level 3 - 70% health – Single Traditional Plan or Family Plan
  - 70% dental – Single Plan or Family Plan
  - 80% health – Single High Deductible Health Plan

The District’s contribution toward other health plan options, if any, will equal an amount not less than what is contributed at each level for an HMO plan offered by the Board.

The District shall contribute 85 percent of the cost of the monthly health and 90 percent of the monthly dental insurance premiums for those employees participating in the health and/or dental insurance plans as of January 1, 1996, provided these employees meet the minimum hour requirement noted above. For those employees who were grandfathered as part of an accretion during the 2007-08 school year, they will continue to be grandfathered at their accreted health insurance premium contribution level as long as that contribution rate is no more than the Level 1 contribution rate above (85 percent), and as long as they remain in their original position.

The District’s contribution toward health and dental monthly premiums will be reduced by 10% during the employee’s first six months of insurance coverage.

District employees who have not been eligible for health or dental plans and elect to enroll in one or both plans will initially qualify for the benefit with a 10% reduction of the District’s share of the premium until having participated in the plan for at least six consecutive months. Thereafter the District’s contribution will be determined as indicated above.

District employees who have been eligible for health or dental plans, but did not enroll, and then subsequently elect to enroll in one or both plans, will qualify for the benefit based on the annual regularly work scheduled for the position, as shown above.
**Retirement**

Upon eligibility, benefits will be paid to persons 57 years of age or older with 20 consecutive years of District experience. Such benefit will be based upon the average scheduled hours for the last three years of employment and will be paid in one lump sum according to the following guidelines:

1,430 to 1,950 average scheduled hours -- $5,500
1,330 to 1,429 average scheduled hours -- $4,500
1,000 to 1,329 average scheduled hours -- $3,500

**Compensation for School Forest**

**Travel Time**
If an employee leaves school at the end of his/her regular shift and is required to go directly to the School Forest to report for duty, the travel time is compensable and must be recorded as work time.

If the employee leaves school at the end of his/her regular shift and is not required to immediately report to the School Forest, travel time is NOT compensable. Compensable time begins at the time duties are performed upon arrival at the School Forest.

**Sleep Time**
If work related duties interrupt sleep time, employees performing overnight duty who do not have at least five (5) uninterrupted hours of sleep during the scheduled sleeping period will be compensated for the entire time.

If the uninterrupted sleep period is five (5) hours or more, the total uninterrupted sleep time is to be subtracted from the compensable time reported on the timecard.

Employees will receive a $75 stipend for each overnight stay, in addition to pay for compensable hours worked at the School Forest.
**EXEMPT AND NON-EXEMPT POSITIONS**

Exempt employees shall receive additional (non-cumulative) compensation for longevity at the rate of 1.5% of annual base salary upon the completion of ten continuous years of District. Longevity pay will be awarded on the employee’s anniversary date of hire.

When a nonexempt employee is called back to work at a time not continuous with his/her regular schedule (or head custodians who may be required to check school buildings on Saturdays, Sundays and holidays), the employee shall receive a minimum of two (2) hours pay at his or her regular rate. The employee must work two (2) full hours on these days before additional time may be submitted for payment.

**Health and Dental Insurance**

A. The District shall contribute toward the cost of the monthly health and dental insurance premiums for those employees participating in the insurance plans at a contribution rate determined by the position and annual work schedule.

B. The District reserves the right to modify, revoke, suspend, terminate or change procedures and practices in regard to insurance carriers, programs, benefits, or coverage at any time with or without notice.

C. The District shall contribute 100 percent of the employee's premium of the group life and long-term disability insurance programs authorized by the Board for those whose work schedule equals 600 or more hours per year.

**Retirement**

A. Upon retirement, the employee shall receive payment for unused vacation earned during the year in which the employee's retirement occurs based on the rate of pay at the time of retirement. This vacation will be prorated based on the percent of the fiscal year worked.

B. Employees who are at or over the age of 55 and have the equivalent of 10 or more consecutive years of service may use the value of their accumulated sick leave—based on the per diem value at the time of separation from employment—to continue the District’s health care insurance, subject to the terms of the insurance plan and carrier, provided to their employee group at their own expense until age 65, or, have the District maintain a Health Reimbursement Arrangement (HRA) to reimburse the eligible retiree for qualified eligible medical expenses. Part-time years of service will be prorated based on the full-time equivalency of 1950 hours. Upon depletion of the sick leave per diem balance the separated employee will be responsible for the full premium payment to continue the benefit.

C. Retired employees may continue to participate in the District’s health insurance plan provided to their employee group, subject to the terms of the insurance carrier and plan, until becoming eligible for Medicare, obtaining alternate and comparable coverage due to other employment, or dropping the District’s health insurance.

The insurance premium will be determined by the policy maintained by the District for this employee group and revisions to the premium will be put into effect as realized by the District.

An employee electing to continue this service must do so prior to separation of employment. Once separated, an employee cannot initiate the option nor return to the insured group if there has been a break in coverage.

All employees certified by the School Nutrition Association will receive an additional twenty-five cents ($0.25) per hour for Level 1 certification. To qualify, employees must meet all requirements for certification and be approved by the Director of Nutrition Services. Upon receipt of the certification card from the SNA, employees must submit a copy of their current certification card to the Director of Nutrition Services.

High School and Middle School Nutrition Services Managers will receive an additional fifty cents ($0.50) per hour for Level 2 certification, and seventy-five ($0.75) cents per hour for Level 3 certification.

High School and Middle School Nutrition Services Managers with a Bachelor’s Degree plus 5 years or more experience in Nutrition Services administration will receive an additional $2.50 per hour.

Upon re-certification, it is the responsibility of the employee to notify the Director of Nutrition Services of renewal. Employees who do not recertify shall no longer qualify for certification compensation. Employees who fail to notify the District may be subject to discipline.

**Mandatory Education Requirements**

New employees are required to complete the “Certified Food Handler” sanitation and safety class within the first year of employment. The District pays the tuition and the employee’s regular rate of pay for time attending the class.

Current employees are responsible for maintaining an active sanitation certification, and are required to renew the certification upon expiration. The District pays the tuition and the employee’s regular rate of pay for time attending the class.

Upon receipt of the certification card, employees must submit a copy to the Director of School Nutrition Services.
**OTHER COMPENSATION**

Nutrition Services Employees should ask their immediate supervisor for rules and restrictions pertaining to the daily free meal available to Nutrition Services employees.

The On-Call/Catering pay rate is $15/hour. This rate applies to additional assignments worked outside of the regular school day in the schools or at the School Forest, (such as evenings or weekends). It is for work above and beyond the Monday – Friday regular school schedule.

Should the time worked as On-Call/Catering result in more than 40 hours worked in a one-week pay period, overtime (1.5 times) is paid for any time over 40 hours, in accordance with the Fair Labor Standards Act.

The calculation of this overtime is done using a “weighted average”. This means that the salary for the regular position, along with the $15/hour for On-Call/Catering work is blended, resulting in a “weighted” average, which is used to calculate the 1.5 overtime rate.

- 6 or more, but less than 7 hours per day – 65% District-paid premium, 80% HDHP

D. DENTAL

- 6 or more, but less than 7 hours per day – 70% District-paid premium

E. DISCONTINUATION OF HEALTH/DENTAL

In the event an employee receives paid health and/or dental insurance coverage during the summer break, and the employee resigns or retires after June 15th, either by communicating his/her resignation to the District or by failing to return to work for the school year following the summer break, the sum of an amount equal to the premiums paid by the District for July 1st through September 30th, shall be paid by the employee to the District to reimburse the District for such paid insurance coverage. If, however, the employee communicates his/her resignation to the District at a date prior to June 15th, the employee’s paid insurance coverage shall cease as of July 1st. However, the employee shall not be required to reimburse the District for paid insurance coverage prior to that date.

Upon receipt of the information requested as specified above, you will be informed, within 5 business days, whether your leave will be designated as FMLA and/or WI FMLA leave and count towards your entitlements under the Federal or Wisconsin Medical Leave Acts.

If your leave does qualify as Federal and/or WI FMLA, you will have the following rights and responsibilities while on leave:

Leave due to your own personal serious health condition will be covered through your accrued paid Sick Leave concurrently with your Federal FMLA and/or WI FMLA entitlement. Should your Sick Leave be depleted, you may request the use of accrued Serious Illness, Personal Leave, and/or paid Vacation to run concurrently with your leave entitlement, provided you meet applicable requirements of the leave policy. Health benefits must be maintained during any period of unpaid leave under the same conditions as if you continued to work. Contact the Payroll Department to make arrangements to continue to make your share of the premium payments on your health/dental insurance to maintain benefits while you are on leave. At our option, we may recover these payments from you upon your return to work.

You must be reinstated to the same or an equivalent job with the same pay, benefits, and terms and conditions of employment on your return from FMLA-protected leave. If your leave extends beyond the end of your FMLA entitlement, you do not have return rights under FMLA.

If you do not return to work following FMLA leave for a reason other than: 1) the continuation, recurrence, or onset of a serious health condition which would entitle you to FMLA leave; 2) the continuation, recurrence, or onset of a covered service member’s serious injury or illness which would entitle you to FMLA leave; or 3) other circumstances beyond your control, you may be required to reimburse us for our share of health insurance premiums paid on your behalf during your FMLA leave.

If you have any questions after reading this information, you may contact Tammy Bents at 261-0523 (21523) or via email at tbents@wausauschools.org, or view the FMLA posters located at your work location.

Revisions to the Employee Handbook and Consideration of Individual Exceptions

1. On an annual basis, or more frequently at the request of the PR&L Chairperson, Administration will bring recommendations for Handbook updates and/or revisions to the PR&L Committee, including updates to the Wage & Benefit Supplements. Following PR&L Committee and Board approval, such updates/changes will be incorporated into the next annual edition of the Employee Handbook.

2. With the Superintendent's or his/her designee’s approval, the Director of Human Resources may bring recommendations for Handbook modifications or revisions to the PR&L Committee Chairperson. With the Chairperson’s approval those items will be placed on the PR&L Committee agenda for consideration. Following PR&L Committee review, revisions may be brought to the full Board for final approval, with subsequent adoption into the current Handbook.

3. Requests or recommendations for Handbook modifications or revisions may be brought to the Director of Human Resources or his/her designee. Such requests will be reviewed by the Superintendent or his/her designee and, at his/her discretion, may also be subject to review by the administrative team, prior to determining if the request will be advanced to the PR&L Committee Chairperson as a recommendation. If so, the above procedure (2) would apply.

Individual Exceptions

Requests for individual exceptions to Handbook rules, not including exceptions to the Wage and Benefit Supplements, may be brought by the employee and/or his/her immediate supervisor to the Director of Human Resources or his/her designee. It is the intent of Administration to make decisions regarding requests for individual exceptions in an expedient manner and at the lowest level practicable.

If the request is unusual and/or has precedent-setting potential it will be reviewed by the Superintendent or his/her designee and other members of the administrative team as appropriate, for consideration.

If the employee is not satisfied with Administration’s decision, he/she may request a second review by the Superintendent or his/her designee. At the Superintendent or designee’s discretion, the request may be advanced to the PR&L Committee for consideration. The PR&L Committee will review the request based on the established standard/guideline.

Standard/Guideline for review of requests for individual exceptions

Recognizing that most requests for exceptions have little or no negative impact (i.e., financially or operationally) on the District and its mission, they may be reviewed and decided upon by Administration using the following general guidelines:

1. There are extenuating circumstances that are predominantly outside of the employee's control.
2. The employee could not have reasonably foreseen the need for the exception and thereby taken measures to mitigate the need for an exception.
3. The reason for the requested exception directly relates to the needs/interests of an immediate family member or the health and well-being of the employee.
4. Consistency with past practice and maintenance of a fair and equitable standard.
5. Potential for setting an undesirable precedent.
6. Other applicable reasons or conditions may be taken into consideration.
APPENDIX F

Overview of Post-Employment Benefit
District-Sponsored 403(b) Plan for Teachers Hired After 1/1/2011

Definition of Group: Teachers, inclusive of all certified staff employed under a regular individual teacher contract, hired on/after January 1, 2011 (most recent hire date shall be used) are eligible for this benefit. A regular individual teacher contract includes full and part time teaching positions but would not include contracts for limited term employment.

Post-Employment Benefit: In June, following the completion of each school year, the District will contribute a defined amount into each eligible teacher’s 403(b) account. To participate, all teachers must have an account with WEA TSA Trust. District contributions will be made only to the teacher’s WEA TSA Trust account. WEA TSA Trust will serve as the investment provider and record keeper for the District Sponsored 403(b) Plan (The Plan).

Annual Enrollment/Contribution Changes: Each contract year there are three enrollment dates for which teachers can opt to enroll in this plan and begin making pre-tax payroll contributions or change their payroll contributions. These enrollment deadlines are October 1, February 1, and May 1. Annual contributions made before June 30 of each plan year are eligible for the District matching contribution. Contributions shall be based on “includible compensation” as defined in section 403(b)(3) of the Code as modified by IRS regulations and shall be subject to the limitations of section 415(c)(1) of the Code. The district reserves the right to modify the benefit at any time to remain compliant with the Code.

District Contribution: District contributions will be made annually in June after the teacher has completed the school year. Contributions will be prorated based upon the Full Time Equivalent (FTE) in that plan year. For purposes of the following contribution schedule, employment must be continuous.

For years 1-5, the District will contribute $250 per year
For years 6-10, the District will contribute $300 per year
For years 11-15, the District will contribute $350 per year
For years 16-20, the District will contribute $400 per year
For years 21-25, the District will contribute $450 per year
For years 26-30, the District will contribute $500 per year
**District 50% Matching Contribution:** Starting with the 2017-18 school year, District matching contributions will be made annually in June after the teacher has completed the school year. The annual teacher 403(b) contribution used to determine the district match will be measured in the 12 months preceding June 30 of each year. Only contributions to the teacher's WEA TSA Trust account will qualify. Contributions will be prorated in accordance with the FTE applicable to the relevant year of service. For purposes of the following amounts, years of service must be continuous.

For years 1-5, the District will contribute 50% of the annual teacher contribution, up to $250 per year
For years 6-10, the District will contribute 50% of the annual teacher contribution, up to $300 per year
For years 11-15, the District will contribute 50% of the annual teacher contribution, up to $350 per year
For years 16-20, the District will contribute 50% of the annual teacher contribution, up to $400 per year
For years 21-25, the District will contribute 50% of the annual teacher contribution, up to $450 per year
For years 26-30, the District will contribute 50% of the annual teacher contribution, up to $500 per year

**Investments:** The default investment with WEA TSA Trust will be a Target Date Fund, which is based upon the age and expected retirement year of the teacher. After the initial contribution, teachers may make changes to their investment portfolio with WEA TSA Trust.

**Vesting:** Vesting of all District contributions shall be 50% after five (5) years, 75% after ten (10) years, and 100% after fifteen (15) years. Any break in service other than a District approved leave of absence will cause the vesting schedule to reset. If a teacher does not complete a minimum of 15 years of continuous service, the unvested funds contributed by the District into the 403(b) account (including any applicable investment earnings or losses) will revert back to the District 403(b) Trust Account.

**Definitions**
