No programs on Fridays

**Horace Mann Middle School - 715-261-0725  
3101 North 13th Street, Wausau WI 54403**

### ■ What is “Academy” Summer Learning?”

It’s an opportunity for any student currently in 3rd, 4th, 5th or 6th grade to get involved in a highly engaging afternoon program that focuses on topics students love, like Foreign Language, Music, Art and STEM. We recommend that every elementary school student in the district attend at least one three-week session that includes “Engaged Learning”. By doing this, we continue advancing student learning, achievement, and success by keeping it at the heart and as the filter for our decision making (WSD Shared Key Interest).

### ■ What is the “World Language Academy?”

¿Hablaspañol? Sprechen Sie Deutsch? Parlez-vous Francais? Introducing 3rd-6th grade World Languages! This is a three-week course that explores culture and language. In this course, students discover the cultures and languages of the Spanish, German, and French speaking countries. Each day students are immersed in different themes, including food, sports, hobbies, music, geography, holidays, and customs. They have the opportunity to speak the languages, create crafts, play games, and listen to music. This course prepares students to be global citizens and gain an appreciation for diverse cultures and peoples, as well as, give them an introduction to the languages taught in the Wausau School District. Don’t miss out on this exciting opportunity!

### ■ What is the “Art Academy?”

In this course, students create landscapes, draw animals and explore portraiture with various types of media. Personal choice of subjects is given in the creation of these works. The extended time allows for students to learn about art history and have time for exploration! Don’t miss out on this unique opportunity!

### ■ What is the “Music Academy?”

This course is designed to be a music appreciation course that teaches students about the “ingredients” of music such as melody, harmony, notation, texture, style, rhythm and form. Students will explore the basics of music, as well as, sing and play classroom instruments, and listen to various examples of music from around the world. You’re not going to want to miss out on this experience!

### ■ What is the “STEM Academy?”

Introducing Science, Technology, Engineering, and Math (STEM)! This 3-week course will use Project Lead The Way (PLTW) curriculum, which is a direct pathway to the middle school PLTW program. Each grade level has a unique focus, using curriculum that is hands-on and engaging, and uses a variety of state-of-the-art technology to solve real-world problems. This is a must if your son or daughter wants to gain an edge on becoming a leader in tomorrow’s future.

### HOW TO REGISTER:

- Register online at <https://Wausau.revtrak.net> OR
- Complete the paper registration form and return to your child’s school
- Registration deadline May 20, 2020
- Look for your child’s notification letter and bus information the week of May 25, 2020

The Wausau School District does not discriminate against individuals on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Federal law prohibits discrimination in education and employment on the basis of age, race, color, national origin, sex, religion, or disability.
