

Franklin Elementary

If passed, the November 3rd referendum would include the funding needed to make the following improvements at Franklin:

Safety & Security Enhancements

- Relocate main office and create secure entry to control visitor access
- Upgrade fire alarm, clock and PA systems, emergency generator
- Replace elevator

Learning Space Modernization

- Remodel space near IMC to create maker space for project-based learning and add windows for natural lighting
- Convert old office into classrooms and reading rooms
- Create a Community Room for co-curricular and community events
- Toilet room renovations and ADA upgrades
- Update technology (equipment, spaces, access)

Building Repairs

- Upgrade HVAC systems for improved air quality and temperature, add air conditioning
- Address required maintenance (windows, doors, lighting, ceilings and casework)
- Update sidewalks, playground surfaces and equipment, as well as add staff parking

Student Support Space Expansions

- Remodel existing office and Special Education spaces to include Sensory Rooms
- Add staff to provide full pupil services teams (Question #2)

What's on the ballot?

BOND REFERENDUM
Question #1 - \$155,000,000

\$0.00 PER MONTH

BOND IS FOR BUILDING

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding necessary building improvements and maintenance. These dollars would be used for a new elementary school to serve Grant and Lincoln students, district-wide safety and security updates, elementary and middle school remodels and additions, modernization, infrastructure and technology improvements.

OPERATIONAL REFERENDUM
Question #2 - \$3,000,000

\$0.00 PER MONTH

LEVY IS FOR LEARNING

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding the additional staffing needed to provide full pupil service teams at each elementary school. These dollars would also be used for operational expenses.
