

**What's on the ballot?**

**BOND REFERENDUM**  
Question #1 - \$155,000,000

**\$0.00 PER MONTH**

**BOND IS FOR BUILDING**

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding necessary building improvements and maintenance. These dollars would be used for a new elementary school to serve Grant and Lincoln students, district-wide safety and security updates, elementary and middle school remodels and additions, modernization, infrastructure and technology improvements.

**OPERATIONAL REFERENDUM**  
Question #2 - \$3,000,000

**\$0.00 PER MONTH**

**LEVY IS FOR LEARNING**

If approved, keeps tax rate the same (due to old debt being replaced with new) while funding the additional staffing needed to provide full pupil service teams at each elementary school. These dollars would also be used for operational expenses.

# Rib Mountain Elementary

If passed, the November 3rd referendum would include the funding needed to make the following improvements at Rib Mountain:

**Safety & Security Enhancements**

- Remodel main entrance for secure entry to control visitor access
- Reconfigure parent/bus patterns for safer drop-off and pick-up, add parent parking
- Upgrade fire alarm, clock and PA systems, emergency generator

**Learning Space Modernization**

- Expand main office to include student support spaces and Community Room for co-curricular and community events
- Build cafeteria addition to separate from gymnasium and reduce scheduling conflicts
- Reconfigure grade-level classrooms
- Create new Science Room with maker space for project-based learning
- Remodel and expand Art Room
- Toilet room renovations and ADA upgrades
- Update technology (equipment, spaces, access)

**Building Repairs**

- Address required maintenance (doors, casework, walls, ceilings, LED lighting, asphalt and concrete repairs)
- Upgrade air conditioning for gymnasium
- Update playground surfaces and equipment

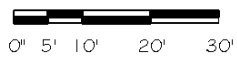

**Student Support Space Expansions**

- Reconfigure and remodel existing Special Education spaces and add Sensory Rooms
- Add staff to provide full pupil services teams (Question #2)
