#### What is “Middle School Summer Learning”?

We are very excited to offer a wide variety of choices for students currently in 6th, 7th, and 8th grade.

Students will rank courses and we will do our best to get students in courses they are interested in. *We recommend that every middle school student in the district attend at least one three-week session that includes “Engaged Learning”.* By doing this, we continue advancing student learning, achievement, and success by keeping it at the heart and as the filter for our decision making (*WSD Shared Key Interest*).
