It's come to our attention that students have been taking video clips of Google Meets and posting them to social media outlets. We want to remind you this is a violation of student privacy and our Student Code of Classroom Conduct.

The video conferencing platforms, i.e. Google Meets, Zoom, Webex, etc., are an extension of the classroom therefore students are held to the same standards outlined in Policy 5500: Student Code of Classroom Conduct.

*Policy 5500: Student conduct on internet-based social media outlets, when such conduct disrupts the learning environment of the school or staff, is governed by the code of conduct.*

Students who violate the Student Code of Classroom Conduct are subject to disciplinary action in accordance with Policy 5500.

We also want to remind you that many of these social media outlets are blocked on District devices.

Sincerely,  
Wausau School District Administration
