### ■ What is “Camp School Forest and Transition to Middle School?”

#### Infinite Campus Codes:

MS600MA (Horace Mann); MS600MU (John Muir)

Does your 5th grader like to have fun in the great outdoors? Would you like your child to get to know their middle school? Could your child benefit from extra instruction in reading and math? Does your child enjoy project and thematic units, instead of traditional classroom instruction? While at the School Forest, students participate in many fun outdoor activities, which provide experiences to write, read about, and improve math skills. Examples include: fishing, kayaking, and science in nature. Students spend time at the middle school they will attend in fall. They tour their school, learn to use their locker, find their classrooms for the upcoming year, and participate in team building activities.

### HOW TO REGISTER:
